Analysis of Budget Request

Appropriation: 2QZ - Community Based Sanctions

Funding Sources: DYS - Youth Services Fund Account

The Community Based Sanctions appropriation, mandated by Ark. Code Ann. §9-28-701 et seq., is used by the Division of Youth Services (DYS) to ensure appropriate sanctions for juveniles adjudicated delinquent. This program is intended to provide a range of sanction alternatives for juveniles who are adjudicated delinquent and are non-compliant with court orders or conditions of supervision.

The intent of this program is to provide more options for the Courts and Community Based Providers in working with juveniles in the community rather than committing them to DYS. The primary goal of graduated (progressive) sanctions is to reduce problem behaviors, and include the following examples:

- Verbal Warnings
- Contracts with conditions (curfews, increased treatment, increased drug testing, etc.)
- Community Service/Work Crew hours
- Day Reporting
- Electronic Monitoring
- Short Term Confinement (requires court involvement)
- Long Term Confinement (requires court involvement)

Funding for this appropriation is general revenue (DYS - Youth Services Fund Account)

The Agency Request reflects the FY25 requests from the 2022 Fall Budget Hearings Summary Manuals. The Legislative Recommendation and Executive Recommendation reflect the FY25 ALC/JBC recommendation from the 2022 Fall Budget Hearings Summary Manuals, any Governor's Letters adopted and member amendments.

Appropriation: 2RB - Community Services

Funding Sources: DYS - Youth Services Fund Account

The Community Service appropriation is utilized by the Division of Youth Services (DYS) to purchase services from community based providers for youth released from a DYS residential facility, families of youth currently being served in a DYS residential treatment facility, and/or non-committed youth who have been diverted from incarceration or DYS commitment. These services include electronic monitoring, intensive supervision and tracking, day services (i.e. education services for youth admitted to the program who are not enrolled in school), crime prevention/intervention, and after-care supervision for state custody of youth.

The primary purpose of these contracts are to:

- Provide diversion services as alternatives to incarceration and DYS commitments to youth referred from Juvenile Courts and law enforcement;
- Provide case management and other services in order to maintain and stabilize youth in home and non-secure community settings;
- Promote successful integration and re-entry of DYS committed youth back into the community;
- Ensure the seamless provision of rehabilitative and treatment services between residential and community-based programs and across county lines; and
- Engage the youth's family, fictive kin, school, and community in a culturally competent manner to foster pro-social relationships and activities for the youth and build upon family-based strengths.

Case management services ensure that the youth and family will receive assistance in accessing whatever services they need, whether from the DYS contractor or another community resource. Direct services will include validated risk and needs assessments, case management and casework services, psychosocial classes, sanction services to address compliance with court orders, and direct mental health and supportive services not available through other providers or funding sources such as Medicaid.

Funding for this appropriation is general revenue (DYS - Youth Services Fund Account) and other revenues which are indicated as various program support that become available, such as Rehab funding.

The Agency Request reflects the FY25 requests from the 2022 Fall Budget Hearings Summary Manuals. The Legislative Recommendation and Executive Recommendation reflect the FY25 ALC/JBC recommendation from the 2022 Fall Budget Hearings Summary Manuals, any Governor's Letters adopted and member amendments.
