INSTRUCTIONS FOR FORM AR1055-CR

Extension of Time to File (Act 369 of 2007): Allows the Director to grant an extension of time of 180 days from the original due date for filing an Arkansas individual income tax return.

All federal extensions will be honored as valid state extensions. If you have filed an Automatic Federal Extension of time to file, it is not necessary to complete an Arkansas Request for Extension (Form AR1055-CR).

The Department no longer requires that a copy of Federal Form 7004 be attached to your state tax return.

If you request an extension using Form AR1055-CR or Federal Form 7004, you must also check the appropriate box on the front of your Arkansas return.

Caution: An extension to file is not an extension to pay. Interest and failure to pay penalty will be assessed if any tax due is not paid by the original due date (April 15th for calendar year filers).

NOTE: Income tax returns must be filed and the tax paid on or before the fifteenth (15th) day of the fourth (4th) month following the close of the tax year (April 15th for calendar year filers). This extension is an agreement by the Commissioner of Revenue to waive the statutory penalty for failure to file timely if the return is filed by the extension due date and the tax is paid by the original due date of the return (April 15th for calendar year filers).

There are two ways to request an extension of time to file an Arkansas income tax return. This allows taxpayers to extend the date to file their return on or before October 15th.
