MEMORANDUM

TO: PROJECT NOTIFICATION REVIEW PARTICIPANT

FROM: STATE CLEARINGHOUSE

SUBJECT: REQUEST TO REVIEW APPLICATION

DATE: July 22, 2013

The attached listing reflects applications that were received by the State Clearinghouse during the period indicated and are available for review and comment within the next 30 days.

Each listing contains an assigned identification number, the project title and a brief description of the application's content. The use of the abbreviation (NOI) in parenthesis indicates a "Notification of Intent" to apply for funds and is not a complete application. In most cases, the (NOI) will only be the 424 cover sheet form; however, a complete application will normally be forthcoming 30 days later.

If you desire to formally review any item listed, please indicate by placing the number assigned (i.e.AR#; Environmental Impact Statement; Public Notice) in the space provided below. In accordance with the Project Notification and Review System, anyone who makes a request to review an application must return his comments, should there be any, along with the application to the State Clearinghouse within the specified time period. Under certain circumstances, the reviewer may request an extension of time for his review and comments. This extension cannot exceed 30 days.

CCC and ACC coordinate the NCCCP implementation of activities by developing policies, providing oversight and building support to reduce the cancer burden. Through NBCCEDP, BreastCare continues to provide free breast and cervical cancer screening and diagnosis to uninsured women age 40-64. The program focuses on low income, medically underserved and minority women and population-based and system changes interventions. ACCR, a population based registry, works closely with CCC, BreastCare and ACC, in the digestion of the cancer data collected, formatting and dissemination of cancer data that describes the cancer burden, so evidence-based interventions can be implemented.
